Please read the following carefully. Digitally Sign this Agreement and upload a W9 and valid Insurance Accord to Pinnacle Motor Club. Upon review and execution by Pinnacle Motor Club, this Agreement shall become an agreement between Pinnacle Motor Club and the above described Independent Service Provider for the provision of emergency road services upon the terms and conditions set forth herein. Upon acceptance and execution by Pinnacle Motor Club, the Service Provider Rate Schedule negotiated by Pinnacle Motor Club and Service Provider shall constitute an Addendum to this Agreement and govern the rates charged by Service Provider.

SERVICES:

During the term of this Agreement, Service Provider agrees to perform those services that are checked in the Rate Schedule returned by Service Provider with this Agreement (the "Services").

- Service Provider shall provide the Services on behalf of Pinnacle Motor Club and those persons who are referred by Pinnacle Motor Club to Service Provider for emergency road service.
- Services shall be provided promptly and in a courteous manner.
- Services and equipment used to provide the Services must be in accordance with accepted practices in the emergency road service provider industry and in compliance with the vehicle manufacturer's recommendations and the "Conduct of Excellence" set forth on page 3 of this Agreement. In no event may a recreational vehicle's leveling jacks be used in connection with a tire change.
- Service Provider shall not sub-contract any service request to another service provider without Pinnacle Motor Club's consent and Pinnacle Motor Club shall not be obligated to pay for any service request that is subcontracted to another service provider without Pinnacle Motor Club's consent.
- Pinnacle Motor Club recognizes driveline removal to be an industry best practice to prevent damage. Drivelines should be removed on any vehicle where the drive wheels will be rotating during towing, even for a short distance. Service Provider's failing to remove a driveline under these or similar circumstances will be suspended and held liable for any and all damages should any occur. This guideline applies even where the manufacturer's written instructions allow any type of towing with the driveline connected.

RATES AND PAYMENT:

Subject to any limitations specified by Pinnacle Motor Club's customer service representative at the time when services are requested, Pinnacle Motor Club shall pay Service Provider for Services at the rate set forth in the Rate Schedule or if the Rate Schedule has not yet been accepted and executed by Pinnacle Motor Club, then at those rates agreed to by Service Provider and Pinnacle Motor Club's customer representative at the time of service. Service Provider must promptly

provide Pinnacle Motor Club with written notice of any change in Service Provider rates and no such change shall be effective until accepted in writing by Pinnacle Motor Club. Service Provider must include all applicable taxes in rates set forth in the Rate Schedule.

If a dispatched call requires additional services and charges other than those initially authorized by Pinnacle Motor Club's customer service representative, Service Provider must call and get verbal approval from Pinnacle Motor Club's customer service representative in advance of providing the services requiring the additional charge. Service Provider must reference its Service Provider ID number (ISP#), and the Pinnacle Motor Club PO number given at the start of service. Failure to do so will cause additional charges to be disallowed.

If a dispatch results in a "gone on arrival" or GOA, Service Provider must contact Pinnacle Motor Club's dispatch center to notify them of the incident. GOA's are paid in accordance with the rates specified in the Service Provider Rate Schedule. Pinnacle Motor Club will not pay a GOA if the service truck is late by more than 20 minutes of the ETA (estimated time of arrival) given by the provider, or if the wrong equipment was brought to the scene.

All Service Provider invoices must include the Service Provider's ID number, the Pinnacle Motor Club PO number, the member's ID number, VIN#, the service rate charge, the mileages, total service costs, a brief description of the service provided and member's signature. Pinnacle Motor Club pays 30 days from receipt of invoice if mailed or faxed in. Invoices submitted online at www.PinnacleProviders.com typically will be paid within 10 days from date submitted. Service Provider agrees to promptly invoice Pinnacle Motor Club for services provided and in no event shall Pinnacle Motor Club nor its clients or customers be obligated to pay for any service for which Pinnacle Motor Club does not receive an invoice within 90 days of the date the service was provided.

Service Provider recognizes and acknowledges that in the event of any dispute between Provider and any customer, member or subscriber of Pinnacle Motor Club or of any Pinnacle Motor Club client (with respect to damage to any vehicle, personal injury, improper service or provision of service or any other matter), the determination of an independent adjuster will be binding upon Service Provider, and/or its insurance carrier and will promptly pay any amount so determined. Service Provider also agrees that should any monies be owed to any member or a customer or subscriber of Pinnacle Motor Club or any Pinnacle Motor Club client, and should Service Provider fail to promptly pay such monies, Pinnacle Motor Club may deduct the amount thereof from any sums otherwise owed to Service Provider in connection with the provision of any tow or other services or otherwise.
